EVENT DATE:

JULY 6 & 7, 2017

SHINE WITH MALAYSIAN MARKETERS

APPIES Malaysia, now into its second year, has ignited the fire in Malaysian marketing campaigns like never before.

Almost all winners from last year's show went on to win big time in regional and global awards shows.

We'd like to think it starts with a win at APPIES Malaysia, where over 25 marketing leaders and key decision makers in the industry form the judging panel in a unique Live Presentation environment, reflecting how it is done every day in real life!

This year, it is all happening on July 6 & 7 at the Eastin Hotel again.

Recognising and celebrating the most brilliant and inspirational ideas in marketing communications. APPIES Malaysia is an annual festival of the best marketing ideas. Held over two days, it is organised by the MARKETING magazine.

"What also sets The APPIES apart from other events is that each featured campaign is presented Live by the brand marketers and campaign creators themselves before a panel of judges and an industry audience. Only outstanding campaigns that have a unique marketing success story will go on to win the APPIES Gold or Silver

trophies," said Harmandar Singh, President of APPIES Malaysia and Regional Publisher of MARKETING magazine.

"The APPIES goes beyond conventional award programmes, providing a leading knowledge-exchange platform as it includes special events such as

keynote sessions and panel discussions on relevant industry topics," says Ms Goh Shu Fen, President of the Institute of Advertising Singapore, the people behind APPIES Asia. She is also Advisor of APPIES Malaysia and Principal of R3 Asia Pacific.

THE ONLY AWARDS SHOW WHERE YOU LEARN!

Known as the “TED for Marketing”, campaign entries will be presented by their brand marketers or campaign creators in an interactive format comprising of a four-minute creative reel summarising the overall marketing campaign followed by a six-minute oral presentation, highlighting significant aspects of the campaign. The presenter also fields questions about the campaign from judges and the audience in a 20-minute Q&A session.

The APPIES Malaysia theme is SHARING is EVERYTHING!

“Over the years, The APPIES has attracted the attention of top marketers, agencies and partners. It showcases the best campaigns, presenting an unparalleled opportunity to learn, network and celebrate with some of the brightest minds in marketing today. It truly is an industry milestone we’re creating by having it here in Malaysia,” added Harmandar Singh.
